TEACHING

Teaching Experience

- “The Governance of the Global Economy” (*City University London, Y3 Undergraduate-level class, 2013-21*) Designed and UG-level module which introduces students to the main international institutions and governance mechanisms that are found in different key global economic regimes such as the World Trade Organisation and preferential agreements in the world trade regime, the international investment regime, the the climate change regime, the main institutions governing different segments of the global energy markets, the World Bank and other multilateral development assistance institutions, the International Monetary Fund and regional arrangements in the area of financial crisis management, international initiatives in the fight against international tax evasion and avoidance.
- “Economic Diplomacy” (*City University London, Graduate-level class., 2013-17; 2019-21*). Designed and taught MA level module which provides an overview of the main analytical frameworks literature to analyse the conduct of international

economic negotiations. Students taking the module are guided towards applying a variety of theories and concepts related to state power, institutional design, domestic politics, and transnational actors to investigate real international economic negotiations, institutions and policies.

- “Analysing Political and Economic Data in the Real World” (*City, University of London, Y2 Undergraduate-level class, 2020-21*). Provided R programming and teaching support for module designed by Dr. Allyson Benton which introduced students to handling and analysing different types of quantitative data related to real world issues associated with the study of politics
- “Comparative Political Economy” (*City University London, Y2 Undergraduate-level class, 2015-19*). Designed and taught Y2 UG module which explores variations in domestic economic policies and outcomes among a variety of countries, covering a number of domestic economic policies such as fiscal and monetary policy, welfare policies, taxations and corporate governance, as well as industrial and labour market policies
- “Scholarly Writing Skills” (*City University London, Y2 Undergraduate-level class., 2013-14, 2017-18*) Designed and delivered a series of lectures on research design principles for Y2 UG research projects
- “Global Financial Governance” (*City University London, Graduate -level class, 2013-17*). Designed and taught MA module which introduces students to more advanced debates related to the global financial architecture, exploring a number of domains such as exchange rate coordination, the management of capital mobility, international financial regulatory policies, sovereign debt management and the international anti-money laundering regime.
- “International Politics Project” and “MA Dissertation” (*City University London, B.Sc. and M.Sc., 2013-14*) Designed and delivered a series of lectures on research design principles to support the writing of the final dissertation project of UG and PG students.
- “The Politics of International Economic Relations Global Finance in Crisis: Causes, Consequences, Futures” (*London School of Economics, Executive Teaching, 2013*)
- “The Politics of International Economic Relations” (*London School of Economics, Graduate-level class., 2010, 2012*);
- “International Political Economy” (*London School of Economics, Graduate-level class, 2010, 2012*);
- “The Politics of Money in the World Economy” (*London School of Economics, Graduate-level class, 2010, 2012*)
- “Selected Topics in International Political Economy” (*University of Waterloo, undergraduate-level class, 2009*)

External Role

- External Examiner in the MA Programmes of the European Institute

Teaching Qualification

- Associate Fellow of the Higher Education Academy (Ref. PR063965; 13/12/2013).

- Application for Senior Fellowship of the Higher Education Academy currently in preparation

PHD SUPERVISION AND PHD EXAMINING

PhD Candidates Supervised to Completion

- Andrei Guter-Sandu (2013-2017)
- Steffen Murau (2013-2017)

PhD Candidates Currently Supervised

- Etienne Lepers (2019-current)

External PhD Examiner at the following institutions:

- European University Institute
- University of Oxford
- University of Luxembourg

GRANTS AND SCHOLARSHIPS

- *European Research Council Synergy Grant – Submitted November 2019 – Not Awarded.*

“EMERGENCE: Dynamics and Governance of Market Infrastructures” This was a five-year proposal, involving collaborators from the Netherlands (Geoffrey Underhill, Universiteit van Amsterdam) and the USA (Kevin Young, UMass Amherst) to explore contemporary and historical cases of market infrastructure emergence, dynamics, and governance.

- *Lorentz Center at the University of Leiden - October 2018 – Awarded (€10,250).*

The grant was awarded to fund an international workshop on the topic “Responsive and Effective Regulation: Stakeholder Engagement and Risk Assessment in an International Regulatory Context” which took place at the University of Leiden in February 2019.

- *Trans-Atlantic Platform Digging into Data - Submitted June 2016 - Not awarded (\$1,005,851)*

“The Social Ecology of Finance: Using Large Scale Dynamic Network Analysis to Understand Risk, Advocacy and Change.” This was a two-year proposal, involving collaborators from 5 different countries (Canada, Finland, Netherlands, UK, USA). I was the PI part of the grant.

- *Pump Prime Funding, City University – 2018 - Awarded (£2,500)*

Internal grant to hire a research assistant to support the data collection phase in the construction of a large dataset of international financial policies.

- *Pump Prime Funding, City University – 201e - Awarded (£5,000)*

Internal grant to hire a research assistant to support the ongoing research at City

- *Balsillie Fellowship, (2007-11, total C\$90,000)*

4-year doctoral bursary to support the PhD studies at the University of Waterloo

• *University of Waterloo Graduate Scholarship and International Doctoral Student Award*, (2007-10, C\$47,100)

SOFTWARE SKILLS

R, RMarkdown, L^AT_EX, NVivo, Gephi, Webscraping.
